

Drighlington Activity Clothing Order Form

It is becoming more popular for groups to have a range of activity clothing to change into while on camp etc, so their scout uniform remains clean.

Therefore we have looked at purchasing a range of Polo Shirts and Zipped Hoodies with the logo and wording shown to the left, embroidered on to the left chest

The polo shirt will be available in the scouting purple (similar colour to the world badge) with white scout emblem and wording with the gold and black necker

The zipped hoodie will be available in black with a orange lining to the hood, zip and pull cords, again with the same wording as detailed above

If you are interested in purchasing any of the above articles please complete the order form below and return it along with full payment to your section leader.

We feel that the prices shown below represent very good value for money when compared to standard polo shirts and hoddies purchased commercially either via the scout shop or general retail.

NB. Fruit of the Loom garments are not generous in sizing we suggest you order 1 size bigger than normal
